AMENITIES

Here, No Two Days Are the Same

Beyond your new house, you'll experience a community unlike any other.

Lakes

At the heart of our community is Lake Sterling, 75 tranquil acres of recreation and relaxation. Cast your line, go for a cruise in a community canoe, or take in the beauty onshore as you grill up some family favorites.

Lakeside Clubhouse

It's hard to imagine a day when you won't visit the Lakeside Clubhouse. Here, find a zero-entry, infinity-edge swimming pool, a two-story waterslide, 24-hour fitness center, 27-seat movie theater, meeting rooms, and a full caterer's kitchen. Can't decide what to do first? Try relaxing on the Lakeside's spacious porches and just enjoy the beauty that surrounds you.

Trails & Parks

Our community is connected – by trails, neighbors, and the memories we make here. Mix up your route to find hidden gems, like awe-inspiring waterfalls throughout the community, or stop by one of our parks, like The Village Green. These natural, green spaces were made for relaxing, yoga, a game of catch or a pickup game of soccer.

The Lodge

Enjoy a relaxing afternoon at The Lodge. Featuring a great gathering room with a roaring fireplace, and a beautiful caterer's kitchen, it's the perfect

place to host events or meet with members of one of our many clubs. Take in the community's beauty in the shade of a gorgeous covered porch or cool off in the pool!

Tennis

With multiple tennis courts, our own community league, and an on-site pro to coach beginners and advanced players alike, there's plenty of opportunity to serve up some competition. And if you feel like mixing up your game, we have dedicated bocce and pickleball courts, too.

Playgrounds & Play Areas

Sterling on the Lake was designed as a place for families of all ages! With four pools, four playgrounds, a treehouse built by Treehouse Master, Pete Nelson, and a lot of open spaces in between, it's an exciting time to be a kid at Sterling on the Lake.

Library & Café

We love having the Hall County Spout Springs Public Library right in our backyard! Inside, the Friends Café has delicious snack options and wireless access. With plenty of computers, study spaces, meeting rooms, and special activities for kids and teens, it's the perfect place to study or spend the day with a good book.

Get Smart

Sterling on the Lake offers a School of Choice program with many great public, private, and magnet school options nearby. Home schooling is a popular option in our community, too. With so many great options, you'll be sure to find the best fit for your child.
